MEMORANDUM FOR: Chief, Development Branch, DPD

ATTENTION:

SUBJECT: Detachment H Trip Report

25X1A

1. The subject trip report has been reviewed and the following comments and recommendations are offered by Operations.

A. Reference para 2.2: No stagings are contemplated for Detachment H in the foreseeable future.

B. Reference para 4:

(1) Materiel has arranged for two additional "B" cameras from SAC. The cameras will be shipped to North Base, Edwards AFB, where they will be inspected and test flown prior to forwarding to Detachment H. Upon arrival of replacement cameras, serial numbers 10 and 14 will be returned to factory for complete IRAN and overhaul.

(2) Recommend that camera and electronic shops prepare itemized and amplified checklist for respective areas on the special equipment hatch to be pre-flighted prior to final closing. The P.E. Tech. then can be made responsible for completing items from the consolidated checklist to insure final configuration when buttoning up hatch.

2. Service Bulletins HSOP-SB11 and SB12, PMR's and FAK deletion list have been reviewed for possible conflict with Project operational procedures and they are compatible.
